

## **Anti-Trust Disclaimer**

The California Chip Seal Association (C.C.S.A.) is a non-profit trade organization dedicated to the principles of ethical and nondiscriminatory business practices in free enterprise, and is pledged to advance the best interests of our industry. It is and shall be the official policy of the C.C.S.A. that this association shall not participate in, permit, condone or promote action taken by members on behalf of the association, its members or representatives, that restrict trade, limit production, increase or fix prices, prevent competition, or in any other way adversely affect the ability of any firm or individual, to participate in the C.C.S.A. or this industry.
